Summer Time at Ha'penny Montessori School 2018

At HMS, our summer sessions are a continuation of the school year, facilitating year-round learning. Studies have shown that, during the summer months, children forget much of what they have learned throughout the school year. Our goal during the summer is to build on previous learning and help each child maintain and grow from what they absorbed during the school year.

Each session is filled with exploration, learning and creativity. Your child will continue to grow in all areas of the Montessori classroom including art, music, science and culinary experiences. Children will engage in group projects and in House field trips throughout the summer.

Our Summer is divided into three (3) week sessions. Children can enroll in any, or all, of these sessions. Enrollment is reserved for currently enrolled and newly enrolled HMS students only.

Session 1- June 18th – July 6th

Session 2 – July 9^h-July 27th

Session 3 – July 30th – Aug 17th
